

Compliance NOW On-site OSHA Consulting (Flat fee of \$80.00 per month)

- Year-round access to your own Certified Occupational Safety Specialist
- On-site OSHA Audit to identify and correct any OSHA issues in your facility
- OSHA Manual customized for your office
- Inclusive Forms & Records manual, giving you the tools to work your program
- Secondary container labeling done throughout your office at no additional charge
- On-site Bloodborne Pathogen Training with certificate of completion for each employee
- Follow-up visit to simulate a true "OSHA RANDOM INSPECTION" to give your facility a true picture of the fines they would face during a real inspection, not on a day where staff can prepare and be on their best behavior

Compliance NOW Portal (Flat fee of \$20.00 per month)

- On-line Bloodborne Pathogen Training for employees
- On-line Safety Plans to customize to your office
 - Exposure Control Plan
 - Hazard Communication Plan
 - Fire Prevention Program
 - Emergency Action Plan
- Unlimited on-line access to MSDS/SDS & ICD-9 to ICD-10 conversions

American Heart Association CPR Training

- On-site CPR Training at your convenience, evening & Saturday trainings available
- No travel time for staff

N-95 Respirator Fit Testing

- On-site Fit Testing for all employees
- No supplies for your clinic to purchase and then expire before next usage
- Documentation provided for size and brand requirements
